

Community Gardens of New Holland

Mission: To provide the opportunity for neighbors to grow their own healthy food in a safe and friendly environment.

To fulfill this mission, the Community Gardens of New Holland maintains an environment free of discrimination or harassment, demonstrated through our actions and words as we interact with each other as community members. The garden site is a drug-free, smoke-free and alcohol-free environment. The use of profanity is also prohibited at the garden site.

Garden Plots: Four different types of garden plots are available:

1. 8' X 4" raised bed garden, 16" high, \$15 per season
2. 10' X 4' raised bed garden, 8" high, \$15 per season
3. 12' X 20' in ground garden plot, \$20 per season
4. 20' X 20' in ground garden plot, \$25 per season

Weather permitting, a growing season that lasts for mid-March through the end of October is anticipated. Membership also includes entrance to lectures and workshops that may be offered during the growing season.

**Some scholarships are available, in exchange for work equity. If you have a financial need or if you are interested in offering your time above and beyond the expected volunteer hours, please contact the garden manager about this option.
